## CONTACT

### INFORMATION

*Mobile number BY:* +375-29-614-35-55

*E-mail:* kirillpias@gmail.com

*Address BY:* 19 Lozinskaya str., apartment 190, Minsk, Belarus

## EDUCATION

### **University of Lancaster**

BSc First Class Honours in **Theoretical Physics**, October 2013-July 2016

- Overall Aggregation Score - 18.5/24.0;
- For the individual marks the transcript is available to request.

Department Prize, 5<sup>th</sup> July 2016

- Financial prize awarded for the recognition of the outstanding performance in the final year of undergraduate physics degree course.

International Foundation Year Engineering and Computing, October 2012-June 2013

- Average mark 88/100;
- For the individual marks the transcript is available to request.

## PROFESSIONAL EXPERIENCE

### **Research Institute for Nuclear Problems of Belarusian State University** , Minsk, Belarus

*Internship: Research Assistant* Laboratory of NanoElectroMagnetics

**May 2014-October 2014**

### **Sakrament IT**, Minsk, Belarus

*Literature consultant*

**July 2015 to October 2015**

### **Research Institute for Nuclear Problems of Belarusian State University** , Minsk, Belarus

*Trainee of the Junior Researcher* Laboratory of NanoElectroMagnetics

**October 2016-Now**

## IT SKILLS

- Fluent in object oriented Java programming, Wolfram language, TeX language, Microsoft Office
- Capable with Python programming

## JOURNAL PUBLICATIONS

- [1] D. Bychanok, et al. "Electromagnetic properties of polyurethane template-based carbon foams in Ka-band" *Physics Scripta*, 90(9), 13 August 2015 doi:10.1088/0031-8949/90/9/094019
